MESSAGE FROM THE ATHLETIC DIRECTOR

This week marks an exciting time for our athletic department as we have teams beginning postseason play while other teams continue advancing in their tournament runs. This time of year is always special as the hard work, preparation and dedication from our student-athletes and coaches are put on display.

We are proud of the way all of our teams continue to compete, represent our school and support one another throughout the postseason. Tournament play brings a different level of excitement and we appreciate the tremendous support from our students, staff, families and community.
Best of luck to all of our teams as they continue their postseason journey.

Go Bears!

Mrs. Jenny DeMuth Hensley
SHS Athletic Director
