When a student is registered to attend a particular school based on only one of these documents, the parent/guardian will be given a 14-day grace period to provide a second acceptable proof of residency. Without an established legal residency within our district a student will lose their right to attend school within the Hinsdale School District.

New Hampshire law requires that your child be a legal resident of one of the towns in the Hinsdale School District in order to attend its schools. The “legal residency of a minor child” is defined in RSA 193:12 as follows:

1. In the case of a minor, legal residence of a minor is where his/her parents reside.
2. If the parents live apart and are not divorced, legal residence is the residence of the parent with whom the child resides.
3. In a divorce decree where parents are awarded joint decision-making responsibility or joint legal custody, the legal residence of a minor child is the residence of the parent with whom the child resides.
4. If a parent is awarded sole or primary residential responsibility or physical custody by a court of competent jurisdiction in this or any other state, legal residence of a minor child is the residence of the parent who has sole or primary residential responsibility or physical custody.
5. If the court order is for equal or approximately equal periods of residential responsibility, the child's legal residence for school attendance purposes shall be as stated in the order.
6. If the minor is in the custody of a legal guardian appointed by a New Hampshire court of competent jurisdiction or a court of competent jurisdiction in another state, territory, or country, then legal residence is where the guardian resides.

I (We) understand and acknowledge that the truth of the information contained in this affidavit will be relied upon by the Hinsdale School District in determining the legal residence of the student and the student's right to be provided with a free education at the expense of the Hinsdale School District in accordance with the education laws of the State of New Hampshire. I (We) certify that the information contained herein is true, accurate and complete under the pains and penalties of New Hampshire law.

I (We) understand that providing misleading or false information about a student's residency is a criminal offense under RSA 641:3 and RSA 641:7. In addition, if this affidavit is found to be untrue, I (we) agree to pay tuition for my (our) child(ren) to the Hinsdale School District¹.
