Dear Third Grade Families,

The **Third Grade Fall Concert is almost here!** We are so excited to share all the music your children have been working so hard on. Please mark your calendars for **Tuesday, October 6th at 6:00 PM** in the **High School Auditorium**.

Attendance & Arrival Times

All third grade students are asked to attend this musical event! Students should arrive at the **High School Band Room by 5:30 PM**. If your child has been selected for an additional speaking part, they will need to arrive at **5:00 PM** for a quick practice with the sound system. Speaking parts are being handed out this week in their music class. If they signed up to read a part, they will be bringing that part home to practice with.

Concert Attire

To help us look our best on stage, students should wear **patriotic, dressy clothes** (red, white and blue—anything festive but school-appropriate). Our concert will be celebrating the songs of America!

Concert Etiquette

To help our performers shine, we kindly ask for your partnership in creating a supportive concert environment. Please silence all cell phones, remain seated during performances, and save applause for the end of songs. Our students work so hard, and a calm, respectful audience helps them do their very best. Thank you for helping make this a positive and encouraging performance experience!

Cost & Seating

This concert is **free and open to the public**. We ask that each family limit themselves to three spectators so we have enough seating for everyone. The doors will open at **5:30 PM**, and seating tends to fill up quickly—arriving early is encouraged!

Donations

We will be graciously accepting cash donations before and after the concert. These funds support our elementary music program by helping us purchase music, instruments, classroom supplies, costumes, and decorations. If you're able, please consider contributing to keep our music program thriving.

Student Pickup After the Concert

Students can be picked up in the backstage area. Please send **one adult to the Band Room hallway**, and we will guide you to your child's class.

Questions?

If you have any questions at all, feel free to contact me at **kwheeler@edisonchargers.org**.

See you soon,

Mrs. Wheeler
Elementary Music Teacher
