FOR IMMEDIATE PRESS RELEASE:
Edison Elementary to Honor Veterans with Patriotic Musical Celebration

WHAT: VETERANS DAY ASSEMBLY
DATE: November 11th, 2026 @ 9:30am
WHERE: Edison Elementary Gymnasium, Milan Ohio

The students of Edison Elementary School are proud to present their annual Veterans Day Assembly on Tuesday, November 11th at 9:30 a.m. in the Edison Elementary gymnasium.

Kindergarten through 3rd grade students have been working hard to prepare a heartfelt program of music and tributes honoring the brave men and women who have served our country. The celebration will feature patriotic and American favorites including *“The Star-Spangled Banner”* by Francis Scott Key, *“You’re a Grand Old Flag”* by George M. Cohan, and *“Country Roads”* by John Denver.

In addition to the musical performances, students will present flags representing each branch of the military, share original thank you notes to our Veterans, and perform small ensembles that highlight their appreciation for those who protect our freedom.

All veterans and their families are warmly invited to attend and be recognized during this special community event. Join us as we honor our heroes and celebrate the enduring spirit of service and sacrifice at Edison Elementary’s Veterans Day Assembly.
