

The Mission of the Miamisburg Viking Booster Association is to promote positive parent and community involvement in the support of the Miamisburg Vikings' athletic program. This involvement consists of both volunteer service and the financial support required to foster the development of our athletes; and to maintain the history and the tradition of excellence in academics, character, and sportsmanship; which exemplifies our student athletes, coaches, staff, and parents.

The Miamisburg Viking Booster Association relies on your help in supporting the sports teams of Miamisburg City Schools. With your assistance, the Boosters can continue to provide the "essential extras" that give the teams that edge, and which help make participation in sports a rewarding experience for approximately 1,400 middle school and high school student-athletes.

Please support our efforts and join the Miamisburg Viking Booster Association!
